AR Cereal Box Book Report Templates

Left side of box: Use the attached template to write a summary paragraph that describes the main problem and the solution of the book. Your paragraph should be indented, at least 5 sentences, and contain a clear beginning, middle, and end. Try to use words that will "grab" readers' attention and make them want to "buy" your cereal.

Right side of box: Use the attached template to tell about the story elements of Characters and Setting. Under the heading "Ingredients'" identify the protagonist and antagonist in your book and state why that character is a protagonist or antagonist in a complete sentence. Then describe the setting in one or two complete sentences. Remember the setting includes two parts: when and where.
